

INTERNATIONAL ARBITRATION ROAD SHOW

September 26, Istanbul

How Arbitration Works In Practice

LEGALPLUS

Event Management & Consultants

SEMINAR DESCRIPTION

Arbitration presents new opportunities for growing a practice and serving clients. To successfully navigate your client through this process a different style of thinking is required. Legal Plus presents the International Arbitration Road Show. This half -day course, kindly being supported by the ISTAC, is designed to aide local Arbitration practitioners, young Arbitrators and in-house counsels to gain invaluable knowledge from international experts. These sessions will cover the most important and relevant topics and situations that you will face on the international arbitration scene. With limited places available for this International Arbitration Roadshow series, please book now to claim your seat at the best price below.

Only 50 spaces available - Book now to confirm your seat!

Terms & Conditions

Registration and Payment - Payment must be made to Legal Plus before the event date.

Cancellation and Substitution Policy - A substitute delegate is welcome at any time and no extra charge if you are unable to attend. Full payment will be imposed if cancellation is made within seven (7) days of the event date. This also applies to any "no show's" on the day of event. All notices of cancellations or replacements must be made in writing and acknowledged by Legal Plus Global via email.

Programme Changes - Legal Plus reserves the right to cancel (due to unforeseen circumstances), amend, change event date, change speakers, topics and location of the event.

The Organiser - Legal Plus Global offers opportunities for our delegates to receive business critical information and timely insight and analysis from our expert presenters. Our events also provide a platform for discussion to allow delegates to explore the intricacies of the information presented while interacting and exchanging news and experiences with peers. Our programmes are conducted by industry experts, practitioners and academics who are able to provide participants a well-balanced blend of theoretical fundamentals and practical applications.
